Biblical Citizenship in Modern America

This is it! Now more than ever, our nation is in need of Biblical Citizens to awaken to the dynamic unity of being dedicated citizens of the Kingdom of God & impactful citizens of the nation in which we live, to restore Biblical values & liberty at the local level & beyond!

This foundational course offers a quick-start guide to the US Constitution, complete with an overview of all the Articles & Amendments via interactive & fast-paced presentations. Great for ages 10 to 110! Learn how the Founders relied on their Biblical worldview to secure the blessings of liberty. Immerse yourself in encouraging historical facts and inspirational true stories that are regrettably absent from our educational institutions today.

Being Biblical Citizens requires a clear understanding of Biblical principles and how to apply them in the ecclesia! Through this class you will be inspired & equipped like never before to put your faith to action at such a time as this!

Cost is \$20 and includes both a spiral bound workbook, digital workbook, and 8 in-person classes. Join us starting Month/day at time in the Sanctuary (or room location of your church) for this important 8 class series on what it means to be a Biblical Citizen in Modern America.
