Jeff & Tanya Poe Biblical Citizenship 16-week schedule

At our church, we've been using the Biblical Citizenship class as the content portion of our Family Youth Group (generally parents and MS/HS age students, although younger family members are welcome). Our group decided to spread the content out over 16 weeks to help the kids get a manageable amount of content each week.

SCHEDULE

2:00 - Welcome & greeting one another

2:10 - Group game

2:30ish - Get Snacks

2:40 - Start with a review/reflection, then watch approximately 1/2 of a BC lesson

3:20 - Discuss new content

3:30ish - Play another round of the group game

4:00 – Dismiss

DETAILS: Our pastor and church have been extremely supportive and helpful. We are using the facility, including access to Zoom. We used a sign-up sheet for snacks, which has been very helpful to have everyone pitching in.

We have had approximately 18 different families come, with about 10 of those families regularly committed. So about 35 people have seen most of the content. Only about 4 of the families are church members.

We've all (adults and kids) learned so much and are considering where to go from here. Our state homeschool organization does a Meet Your Legislator Day in February that several of us plan to attend and Homeschool Day at the Capitol in April.

Group Games

We rotated :

-9 square in the air

-Knee ball

-Capture the flag

-Kickball

-Bible/Constitution/Am Hist Pictionary

-Bible/Const/Am Hist Trivia

From our experience with the youth, I would say it was very beneficial to have them there with their families. The content is not always easy to understand nor stay engaged with. So it was helpful for parents to continue the discussions with their kids during the week.
