

Join the Patriot Society

Every generation of Americans has both the duty and privilege of standing guard at the watchtower of freedom. Some have held their ground against all attacks; others have slept or quarreled while enemies stormed the gates.

The whole world is watching to see what you and I will make of our time – will we save America or helplessly watch it collapse as have so many nations before us.

This is your opportunity to JOIN US in our mission to restore our Constitutional Republic and the Biblical principles that cause a nation to flourish!

As a Patriot Society member, you will PARTNER WITH US as we educate, equip, and inspire a generation of courageous citizen leaders to champion the cause of liberty and truth in every sector of society.

Will you take up the torch of freedom and carry it forward today?
